Re: *Xue, et ano. v. Koenig et ano*, S.D.N.Y. Civ. No. 19 cv 07630 (NSR) (AEK)

Dear Judge Román:

We are attorneys for Defendants in the referenced action.

Defendants shortly will be filing a motion for reconsideration of the Court's September 14, 2022 Opinion and Order denying Defendants' motion to dismiss for lack of subject matter jurisdiction. In connection with the reconsideration motion, we hereby move, via this is letter-motion, to file under seal the Declaration of Michael R. Gordon, dated September 28, 2022, and the exhibits thereto, and the supporting memorandum of law, dated September 28, 2022 and the supporting reply memorandum of law dated October 13, 2022. These documents contain references to, and copies of, material produced to us confidentially by Plaintiffs. We take no position on whether the Court agrees that these documents should be filed under seal, but we are obligated pursuant to an agreement we have with Plaintiffs' counsel to file the materials, as an initial matter, under seal. In that regard, we have met and conferred with Plaintiffs' counsel, who advises that he does request that the papers, which are financial records, tax returns and tax-related materials and legal papers that reference those documents, be filed under seal.
